

JUNE SUMMER SCHOOL Session. This includes our STEM camps, Hunter Safety, Babysitting class, and Tractor Safety. This week will also include some middle/high school credit recovery classes along with some skills review classes for students in this year's kindergarten-second grade. Students will be identified by their classroom teachers for skills review and credit recovery and details for these classes will come along shortly. This session runs from June 20-24, 8:00 – 11:30 with bussing will be provided from certain locations. The Google Form to register for these courses can be found [here](#).

JULY/AUGUST SUMMER SCHOOL Session. Here is where you will find registration for our July 18 - August 4 summer school. This includes all of the fun courses your student can take, such as Wild Animals, Outdoor Skills, or Enrichment core classes. These classes are Monday – Thursday, 8:00 – 11:30. Here is the link to the [Course Description Guide](#).

- Students entering Grades 1-3 in 2022-23 School Year Google Form can be found [HERE](#)
- Students entering Grades 4-8 in 2022-23 School Year Google Form can be found [HERE](#)
- Jumpstart to Kindergarten (only for those students starting Kindergarten and runs the second and third weeks of summer school, July 25 – August 4), the Google Form can be found [HERE](#).

Enrollment for summer school classes is contingent upon space and staff availability, so complete registration early.
